Amnio/CVS	500	1,500
Miscarriage	1,500	3,000
Multiples	3,000	5,000
Caesarean section	2,500	3,500
	\$17,500	\$41,000

*Note about 3rd Party fees (Clinic fees & gamete donor fees if needed):

The estimates above do *not* include fees associated with your fertility clinic or egg/sperm donor (if using). If you have not received an estimate of all fees your fertility clinic will be assessing, make sure to ask them for a full accounting. Many of the basic fees can be found on the clinic's website. Total clinic fees for surrogacy journeys often make up the greatest portion of the overall cost depending on the services needed; including but not limited to screening, embryology, monitoring, medications, embryo transfers, storage and other such fees.
